# TEAM UWE MEMBERS OF THE MONTH

Congratulations to our January Team UWE members of the month, Joe and Rudy!

Joe has done fantastic work within the badminton committee, ensuring their equipment is ready for the start of BUCS fixtures, helping the coordinator of the BUCS individuals entries and trip, and has communicated well with multiple Students' Union staff!

Rudy has worked with the international college, to help organise a friendly fixture with Brooke House followed by a presentation about UWE and the football club. Rudy has also worked with the Students' Union community team (along with other members of Team UWE) to create social media content for anti-sexual violence awareness week, challenging the "boys will be boys" narrative!

Congratulations to you both! Make sure you pop into see Alice or Ryan to collect your prize!
