UWE looking into long term change with block teaching, would resolve some major timetabling issues. Unconfirmed until approved by VC.*

Actions carried over from previous meetings:

- Jack Priestley: arrange meeting with Toby Blewett (Student Sustainability Engagement Worker) and Paul Dingley (Commercial Director)- *successful meetings with Toby and Paul*

- Jack Priestley: Explore Repair Shop- *closing action, didn't seem that there was a lot to contribute here, flourishing on its own. Could explore student blogging to improve communications but that would be the only area.*

Anya is interested in outcomes from that meeting: considering International students in sport too.

Mo had feedback from an International Student about the cost of sport; international students are not always able to participate due to balancing finances.

Zarabel Turgut-Cox:

- Unfiltered women's voices session coming up: bracelet making at Bower. 29/1 or 5/2

5) March Elections

Nominations opening on 26 January; members who want to continue as either at PTO or a Sabbatical Officer will need to re-run in this election, including those elected in October.

Request to be encouraging of all potential candidates, including those interested in "your" role. Impartiality, not withholding information from potential candidates. Any questions about elections feel free to ask the Representation Team.

Question: Can PTOs run for Full Time Sabbatical positions?

Yes, the 2-year maximum term is for positions that are both elected and paid. Part Time Officers are elected but unpaid, so time in a PTO role doesn't count towards the 2-year cap.

6) AOB
