

# Feedback from Guarantor Policy

## **Original Passed Policy:**

## **Proposal:**

Current UWE Accommodation policy is that all first year UGs (home and international) who apply by 1st June are guaranteed a place in UWE Accommodation.

We could guarantee a small number of places (20-30) for returning international students, care leavers, etc, who have been unable to get a guarantor for private rented accommodation.

Therefore, a possible solution, which would be reasonably straightforward to implement, would be a combination of:

1. A limited number of grants to students who are genuinely unable to pay the administration fee for UK Guarantor or similar schemes.
2. A guarantee of places in UWE Accommodation for a limited number of students who are unable to get a guarantor, possibly because they have been rejected by UK Guarantor

## **Question:**

Does the proposal meet the expectations of the policy?
